

Victor K. Chung, MD

4765 Carmel Mountain Rd #103, San Diego, CA 92130
(858) 461-0383 ~ info@lajollafacialplasticsurgery.com
www.lajollafacialplasticsurgery.com

Board Certification:

6/2015-6/2025 **Otolaryngology, Head & Neck Surgery - Diplomate**
American Board of Otolaryngology

Staff Privileges:

12/2015-present **Scripps Memorial Hospital – La Jolla**, San Diego, CA
7/2014-7/2015 **University of Illinois-Chicago Medical Center**, Chicago, IL

Positions:

8/2015-present **La Jolla Facial Plastic Surgery, Inc.**, San Diego, CA
Director and President
7/2014-7/2015 **University of Illinois-Chicago**, Chicago, IL
Dept. of Otolaryngology: Facial Plastic and Reconstruction - Staff Attending

Affiliations:

9/2016-present **University of California, San Diego. School of Medicine**, San Diego, CA
Guest Lecturer to Department of Otolaryngology – Head & Neck Surgery
Facial Plastic and Reconstructive Surgery.

Medical Training:

7/2014-7/2015 **University of Illinois-Chicago**, Chicago, IL
Facial Plastic and Reconstructive Surgery Fellowship – Dr. Dean Toriumi
7/2012-7/2014 **Tufts Medical Center**, Boston, MA
Otolaryngology-Head & Neck Surgery – Chief Resident
7/2010-7/2014 **Tufts Medical Center**, Boston, MA
Otolaryngology-Head & Neck Surgery Residency
7/2009-7/2010 **Tufts Medical Center**, Boston, MA
General Surgery/Otolaryngology Internship

Education:

8/2005-5/2009 **Tufts University School of Medicine**, Boston, MA
M.D.
8/1999-5/2003 **Yale University**, New Haven, CT
B.S. in Chemistry, *distinction in major*
9/1996-6/1999 **Millville Senior High School**, Millville, NJ
Valedictorian

Research Experience:

7/2014-7/2015 **Facial Plastic and Reconstructive Surgery Research Fellow**, University of Illinois-Chicago
Principle Investigator: Dean Toriumi, MD
Septal perforation repair with costal perichondrium. Topical vs systemic perioperative antibiotic therapy in rhinoplasty. Xerostomia and autologous fat injection. Histologic change in autologous costal perichondrium reimplantation in an animal model. Clinical applications of 3D imaging.
4/2012-6/2012 **Resident Research Fellow**, Tufts Medical Center and TEI Biosciences, Boston MA
Principle Investigator: Arnold Lee, MD
Volumetric and histopathologic properties of Surgimend, a longitudinal study.

Research Experience (continued):

6/2006/8/2006 **Summer Research Fellow**, Tufts-New England Medical Center, Boston, MA
Principle Investigator: Carolyn D'Ambrosio, M.D.
Investigation of Perioperative Sleep Pathology in Bariatric Surgery Patients

5/2002-5/2005 **Researcher**, Yale University Department of Chemistry/Chemical Biology, New Haven, CT
Principle Investigator: David J. Austin, Ph.D.
cDNA phage display for the study of human phosphotyrosine kinases

Presentations:

Chung V, Scott A. Pediatric Nasal Valve Surgery.
Presented at the 116th Annual Meeting at Combined Otolaryngological Spring Meetings
April 10-14, 2013, in Orlando, FL.

Chung V, Insalaco L, Whang T, Lee A. Unusually Aggressive Squamous Cell carcinoma of the Scalp.
Presented at the American Academy of Otolaryngology-Head & Neck Surgery Annual Meeting,
Sept 2012, Washington, D.C., USA

Chung V, Tian X, Scott A. Cervical Necrotizing Fasciitis in Children under two years of age.
Presented at the Triological Society Combined Sections Meeting, Jan 2012, Miami, FL, USA

Chung, V. The Role of Polysomnography in the Micrognathic Patient. Presented at the New England Otolaryngology Society Spring Meeting. March 2012 Boston, MA – 2nd prize.

Presentations (continued):

Sekar M, **Chung V**, Vecchiotti M, Wein R, Bedi H. ENT Emergencies: What the Radiologist Needs to Know. Presented at American Roentgen Ray Society Meeting. Accepted to American Journal of Roentgenology 2012.

Brewer ES, Flacke S, Dolan RW, Kousoubris PD, **Chung V**, French RJ, Harz MT, Wald C
Evaluation of nasal valve and nasal passage patency and anatomy with 3D CT Imaging (Rhinovolumetry).
Presented as a poster at the American Society of Head and Neck Radiology Annual Meeting, October 2009.

Chung V, D'Ambrosio C, O'Reilly S, Hudcova J, Schumann R. Obstructive Sleep Apnea in the PACU Following Bariatric Surgery. *Surg Obes Relat Dis* 2007; 3:335-6.
Presented at the 24th Annual Meeting of the ASBS, June 11-16, 2007, San Diego, CA, USA.

Arora P, **Chung V**, D'Ambrosio C, Cepeda MS, Schumann R. Transcutaneous carbon dioxide monitoring during laparoscopic bariatric surgery. *Anesthesiology* 2007; 107: A439
Presented at the 1st Annual New England Anesthesiology Residents Conference, April 7, 2007, Worcester, MA, USA and the Annual meeting of the American Society of Anesthesiologists, October 13-17, 2007, San Francisco, CA, USA.

Society Memberships:

Massachusetts Medical Society *since 2005*.
American Academy of Otolaryngology and Head & Neck Surgery *since 2009*.
New England Otolaryngology Society *since 2009*.
American Academy of Facial Plastic & Reconstructive Surgery *since 2009*.
Triological Society *since 2012*.
American Rhinologic Society *since 2015*.

Conferences:

American Academy of Otolaryngology – Head & Neck Surgery: Annual Meeting in September 2016 – attendant.
Baker Gordon Symposium: 50th Anniversary – February 2016 – attendant to live-feed surgery.
American Rhinologic Society: Summer Sinus Symposium – July 2015 – attendant.
American Academy of Facial Plastic and Reconstructive Surgery: Advances in Rhinoplasty – May 2015: assistant surgeon in live-feed surgery.
Quality Medical Publishing: Aesthetic Surgery Symposium – November 2014 – attendant.
American Rhinologic Society: Summer Sinus Symposium – July 2014 – attendant.
American Academy of Otolaryngology – Head & Neck Surgery: Annual Meeting in September 2013 – attendant.
Triological Society – Combined Otolaryngological Spring Meeting – April 2013 – presenter.
Triological Society – Combined Sections Meeting - January 2012 – presenter.
American Academy of Otolaryngology – Head & Neck Surgery: Annual Meeting in September 2012 – presenter.
American Academy of Otolaryngology – Head & Neck Surgery: Annual Meeting in September 2010 – attendant.

Professional Courses:

St. Louis University – PASE: Facial Rejuvenation in Depth with the Masters – St. Louis, MO – October 2016
Galderma, Inc. – GAIN: Galderma Aesthetic Injector Network – Del Mar, CA – September 2016
ZO Skin Health, Inc. – Advanced Training Course – Newport Beach, CA – November 2015
University of Illinois: Chicago – Soft Tissue Workshop – Chicago, IL – March 2015 – Course Instructor
AO North America: Orbital Approaches – Advanced Trauma Course - Las Vegas, NV - April 2014
The Cosmetic Bootcamp –Bootcamp University – Injectables and Lasers Course – Boston, MA – December 2013
AO North America: Ballistic Logistics - Advanced Trauma Course - New Orleans , LA - January 2013
AO North America: Principles of Craniomaxillofacial Trauma –Trauma Course – Boston, MA – September 2012
